NEWSLETTER DEADLINE:

The next newsletter deadline is noon on the second Sunday of the month, March 13, 2022. Please contact Russell Gray rgray@geusnet.com

Note from the President

Ed Bazor here. This is my first opportunity to introduce myself to the club as your President. I am excited about this year and hope that everyone else is also. I am calling this year “back on the road again”.

2021 was a very interesting year for our club and for each of us. I look to 2022 as being a very productive year for the club. It is my hope that we will be able to get back on track with club business.

We plan on having a driving tour each month and invite everyone to come out with us and experience what the different locations has to offer.

As your club president, I want each of you to enjoy the club and participate as much as you can. We will be having our monthly drawings again, so drive your old cars and wear your name tags.

Please let me know if you have anything you want discussed with the board and with the general membership. The board and I are here to serve.

If you are reading this, it means the running board is back up and running. Please let the editors, Harold Wyatt and Russell Gray, know of any stories you have or pictures you want to share with us all.

Again, welcome to 2022 and let's get “back on the road again”.

CONGRATULATIONS!

At the Jan 23rd of 2022 meeting,

The Nametag Winner was Rich Sasek
and The “I Drove My Car” winner was **Bill Barr**

SUNSHINE REPORT

**Our prayers are with those who are working hard to recover, and
a special prayer for those who have obstacles to overcome.**

John Martyn is at home and recovering.

Texas Tour Planning Committee

It was a cold December morning sitting in a car waiting for the group to show. We were expecting 10 to 12 couples to travel to Tanglewood Resort. Five cars did show for the departure, with only one hardy sole, Cheryl Martyn, driving a 57 Chevy. Just as a point of information, it was later learned her heater wasn't working. Also attending this tour were the Bazors, the Grays, the Baileys, and the Stemens

The drive was uneventful with only one problem. 'GPS' and the street address showed the resort as being located way down the hill. After a couple of turn arounds and asking a biker where to go next, we continued up the winding road. The resort covers over 600 acres next to Lake Texoma and has 222 rooms available. Plenty to house the 2025 Texas Tour volunteers and participants.

Our first stop was to have lunch in the pool side lounge. The meal was hot and very good. The staff was right there to refill our drinks.

After light conversations about the amities of Tanglewood we left on a walking tour of the Ballroom, other meeting facilities on the main floor and then went up to the 8th floor tower to check out the views. This would be a great place to have an over-night tour for the club as well. No, no one went swimming even though the pool was heated. No one else showed up so we all left to lunch in Bonham at Braum's, one of our regular stopping locations.

Sorry I haven't any pictures to add. Feel free to add any other content you wish.

Roger

Swap Meet News

Happy New Year everyone! We are seven short weeks away from our number one fundraiser of the year, March 31 - April 2. We need to have everyone sign up for a job (or jobs) at the Greenville Swap Meet. Richard Bailey is in need of parking workers during the duration of the meet, as well as a volunteer to shadow him and start learning/assuming the duties of his committee position.

When a committee member asks for your assistance, please step up and take on the task!

The Greenville Swap Meet and Car Show have historically provided significant funds for our tours, meeting facilities, party's, and our annual banquet in December. Your help is needed to continue this tradition, so please volunteer!
